8:12 AM **Caleb**: I'm not so sure your headline is grammatically correct.
8:14 AM Also, what the fuck does this mean?
Certain matters that end up in the history books by virtue of their significant effect on human society also ten public attention at such time as the history in question is being made.
8:16 AM And this?
Such flaws are difficult to fix from within the outlets and institutions collectively making up what I'll call the Corrupted/Corrupting Media until such time as I think up a less idiotic-sounding term, and they are caused is due to the
8:17 AM And what the hell is the C/SM?
8:18 AM And this is how you end your first paragraph proper:
Such flaws are difficult to fix from within the outlets and institutions collectively making up what I'll call the Corrupted/Corrupting Media until such time as I think up a less idiotic-sounding term, and they are caused is due to the
Whoops.
Not that one.
This one:
A large problem fundamental to the majority of all others has
8:19 AM Christ almighty.
Take this fucking thing down now.
